

# Rafał Wojczal

## Profile

- Videographer/photographer specializes in documentary but also in e-commerce studio work. Oriented in geopolitics and current media events. Privately, a winner of many film and photography awards and a former member of the world-known music band Trupa Trupa.
- In life, he's guided by empathy and trust towards other people.
- He can take responsibility and admit when he's wrong.
- He doesn't put off tasks for later. his responsiveness time is extra short. Above all, he puts the fulfillment of obligations towards the client.

## Sample projects

2014, Ukraine. Reporting on the events during Euromaidan for the "Political Review".

2017, Iraq. Recordings for the documentary film Ra-ba-ba-ba. The recordings were also used in the movie We Have One Heart which was on long list of Oscar-winning proposals.

2017, Finland. Recordings from the dog sledding expedition and editing of the documentary Lapland Odyssey.

2020, Belarus. Covering protests after rigged elections for Newsweek.

2021, Poland. Recordings for National Geographic for the Hidden Wonders of Europe series.

2022, Poland. Writing a book about the migration crisis at the Polish-Belarusian border.

2023, Norway. Fritt Ord sponsored photo project about Polish migrants - biggest minority group in Norway.
